### ハインツ・ガイサー率いるEnsemble 5のLEO第5作

スイスのパーカッション奏者ハインツ・ガイサーはこれまでも Collective 4tet などのプロジェクトで多様なインプロバイジング・ミュージックを追求してきたが、現在は自らを含むベテランふたりと若手ふたりとで構成される Ensemble 5 に活動の主眼を置いている。ワン・ホーン・カルテットというごく普通の編成から4人がクリエイトしていく音楽は常に驚きに満ちていて、この第5作でも彼らはゴールのない旅路を力強く歩み続けている。(大村) ④

### Jazz Review

#### Leo's 5th Album featuring Heinz Geisser and Ensemble 5

Swiss percussionist Heinz Geisser has pursued a variety of improvising music through projects such as Collective 4tet. Recently, he has been focusing on activities of Ensemble 5 comprised of two veteran musicians, including himself, and two young musicians. The music these four create from a rather regular formation of a one-horn quartet is full of surprises. Even in this 5th album, they continue to walk powerfully along their travels that have no goal.
